

ETW2001 Foundations of Data Analysis
SEM 1 2026
Assignment 3
TOTAL MARKS (30%)

Overview

This assignment consists of **two components**:

1. **Individual 1-minute presentation video (10 marks)**
2. **In-class Q&A session (20 marks)**

Students are assessed **individually** for both components.

Part 1: Individual Video Presentation (10 marks)

Instructions

- Each student must submit a **1-minute presentation video**
- The video must:
 - Explain your **dashboard** in Assignment 2
 - Be **clear and concise**
 - Focus on **key insights only**
- Submission format: **MP4 file**
- Duration: **Maximum 1 minute (strict limit)**

Rubric: 1-Minute Video (10 Marks)

Criteria	Description	Marks
Content Clarity	Clear explanation of dashboard purpose and insights	4
Conciseness	Fits within 1 minute, no unnecessary details	2
Understanding	Demonstrates good understanding of the dashboard	2
Presentation	Clear voice, confident delivery	2
Total		10

Part 2: In-Class Q&A (20 marks)

Instructions

- Students must attend class in **Week 12** following your tutorial sessions in Allocate+
- Students will sit in groups of **4-5 members** in class
- Lecturers will:
 - Ask questions from the subtopics covered from week 1 until week 9 to **individual students** (one question-per student)
 - Group members may **support if needed**

Rubric: Q&A Performance (20 Marks)

Grade	Criteria	Marks
HD (High Distinction)	Answers immediately (within 10 seconds) and correctly	20
D (Distinction)	Not immediate, but correct answer	15
C (Credit)	Needs support from the group, but correct answer	10
P (Pass)	Incorrect answer, even with group support	1
F (Fail)	Did not attend class	0

Important Notes

- **Attendance is compulsory** for Q&A
- Marks are awarded **individually**, not as a group
- Ensure your video is:
 - **Within time limit**
 - **Properly formatted (MP4)**
- Be prepared to answer questions **independently first**
